This image shows a blank ledger page. The page is oriented vertically and features a wide, unlined left margin. The right portion of the page is divided into 11 vertical columns of varying widths by thin black lines. The columns are arranged in a regular, repeating pattern. The paper has a light cream or off-white color, and there are no markings, text, or illustrations on the page.

514

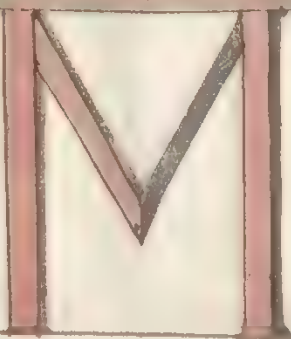

This image shows a blank, aged, cream-colored page from a book, likely a ledger or account book. The page is framed by a dark red border. In the top left corner, the number '514' is handwritten in dark ink. The page is divided into two main sections by a vertical red line. The left section is a large, empty rectangular area. The right section is a narrow column divided into several smaller, empty rectangular cells by thin black lines, suggesting a ledger or account book format. The paper shows signs of age, including slight discoloration and a few small dark spots.

This image shows a blank, aged, cream-colored page from a book. The page is oriented vertically. On the right side, there are several vertical ruling lines, suggesting it was part of a ledger or a notebook. The left edge of the page shows a dark, possibly leather or cloth, binding. The paper has a slightly textured appearance with some minor discoloration and faint smudges, characteristic of old paper. There is no text or other markings on the page.
